WeRPN Member Payroll Deduction Program Renewal Notice

Thank you for your organization's participation in the Registered Practical Nurses Association of Ontario Member Payroll Deduction Program.

Over the past six decades, the role of RPNs within the health care eco-system has evolved. Today, we are proud to see RPNs are at the forefront in providing compassionate, informed, and expert care.

To reflect this shift, we've recently rebranded our organization to better reflect the commitment and expertise of our members. The new WeRPN brand will build the profile and professional capacity of RPNs – so we can better care for our patients and better support our fellow health workers.

Today, more than 47,000 RPNs support patients in Ontario hospitals, public health units, in the community, long-term care facilities, schools, and private health providers. When any of those RPNs encounter barriers to patient care, they can count on our support.

From a business perspective, your organization benefits from having your RPN employees be members of WeRPN because they demonstrate professionalism, excel in their roles, learn best practices in nursing, and receive support for a leadership career path. WeRPN shares important changes in nursing and in direct care roles. RPNs are in the ideal position to implement and improve your organization's client experience.

In fact, the benefits of WeRPN membership for your RPN employees have never been so numerous:

- **Building the professional profile and standing up for RPNs:** WeRPN regularly engages with elected officials and key decision makers to make sure the voice and concerns of RPNs on key professional practice and health policy issues are heard.
- **Sector-leading educational opportunities:** WeRPN in-person workshops and online eLearning programs provide ongoing development.

- **Comprehensive professional malpractice and liability insurance:** Professional Liability Protection (PLP) insurance is a mandatory requirement for the College of Nurses of Ontario, and we're proud to offer the most comprehensive coverage available, including access to legal counsel should a RPN be accused of malpractice or negligence.
- **Career-building services and support:** WeRPN members can access exclusive career development programs to help RPNs make career decisions and develop formal career plans.
- **Exclusive savings and discounts:** WeRPN offers a range of savings from partners including home and auto insurance, group benefit plans, consumer products, and financial, health and wellness services. We also recently announced a new medical supplies and apparel benefit which provides members discounts on items including scrubs and stethoscopes.

On behalf of the team at WeRPN, thank you again for your ongoing support of our mission to enhance patient care and provide better support for our fellow health workers. We are excited to yet again welcome your organization as one of WeRPN's trusted partners in supporting RPNs.

Sincerely,

Rocio Lock
Director, Customer Relations and Administration

The WeRPN membership year is July 1st to June 30th, and the Payroll Deduction Program is made in the preceding year, so the full amount is provided to WeRPN before the new membership year begins again on July 1st.

For example, your RPN employees would incur monthly deductions from July 2020 to May 2021, and the total membership of \$296.15 payment must be received by WeRPN by June 1st, 2021, to ensure their membership benefits including Professional Liability and Malpractice Insurance remains uninterrupted.

WeRPN Membership Fee: July 2021-June 2022
\$262.08 + \$34.07 HST = \$296.15

Included in this package is the 2021-2022 Membership Application for payroll deduction participants.

Please submit all completed membership applications to WeRPN with the complete payment by June 1st, 2021.

The following information is required to process the member applications:

- CNO Registration Number
- First Name
- Last Name
- Home Address
- Telephone
